

## Ins and Outs of Inoperative Equipment

Joesh Quiring will lead a discussion on the ins and outs of Inoperative Equipment. Audience members are encouraged to bring questions related to maintenance.

**Directions:** From Wright Brothers Blvd, enter airport using main entrance (Arthur Collins Pkwy). Turn right onto Lippisch Pl SW. Public Safety is at end of street. Enter using the main entrance. Meeting room is on left upon entering building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
